VIRTUAL AUCTION!

Bid at LaborDayAuction.org

September 1-15

Thank you to these businesses for their steadfast commitment to Hospice & Community Care as we transformed our annual Labor Day Auction to a virtual event. It is because of these generous sponsors that we can provide patients and families with the care and support they need when facing a serious illness. Hospice & Community Care is sensitive to the significant impact that Covid-19 has had on the local economy, and greatly appreciates the sustained commitment from these businesses that are able to support the Labor Day Auction in these challenging times.

Please consider patronizing our generous sponsors:
